## Patient Medication Profile

## 1620 Century Center Pkwy | Memphis, TN 38134-3838 | 800.803.2523

At Accredo, your safety is important to us. That's why we ask you to provide a current list of your allergies, as well as any medications (prescription, non-prescription, physician samples and/or vaccines) or other over-the-counter products (herbal, vitamin and dietary supplements) you are taking. This will help us monitor your therapy for potentially harmful drug interactions and/or side effects. If you have any questions for your pharmacist or would like to discuss updates to your medication profile, please contact us at 800.803.2523 or the number on your prescription label.

Please do not staple a	dditional sheets	to this form.
